**\*Entry Criteria**

Please note: CPIT programmes may have more applicants who meet entry criteria than study places available. If you pass the courses listed at Tai Poutini, you can apply to take part in the CPIT programme selection. Applicants are assessed and ranked for the available places.

**Make the Change**

## CPIT

You'll find the broad range of qualifications at CPIT, an institution that is career-focused, with a practical approach to learning. As one of the South Island's largest tertiary institutes, CPIT retains a high staff to student ratio, with nationally and internationally-respected qualifications including:

- Certificates
- Diplomas
- Degrees
- Graduate Diplomas

You will be taught by industry professionals keen to see you succeed. They will share their knowledge, experience and industry connections to ensure you graduate work ready from day one.

## Tai Poutini Polytechnic

Tai Poutini Polytechnic (TPP) offers a wide variety of high quality, industry approved training programmes throughout New Zealand.

Courses have been designed with industry in mind so students learn hands-on skills to help them in their chosen career.

Teaching staff have a passion for education and students enjoy low student to tutor ratios. Tutors are experts in their fields and are ideally placed to help graduates secure work placements.

**If you're a student at Tai Poutini Polytechnic and looking for new ways to continue your studies, CPIT may offer the solutions you need.**

**CPIT and Tai Poutini are working together to provide quality education pathways, both in Christchurch and on the West Coast.**

**The doors are always open between Tai Poutini and CPIT, offering clear and easy transitions for students.**

## Our Partnership

The relationship between Tai Poutini Polytechnic and CPIT aims to:

- develop relevant and flexible pathways for Tai Poutini students to transition into future study at CPIT
- be clear about the entry requirements and standards needed for successful placement into CPIT
- create more opportunities to develop new initiatives and programmes to help Tai Poutini students staircase into CPIT certificates, diplomas, degrees and graduate qualifications
- produce higher levels of student engagement and graduation rates.
